According to the Library of Congress in Washington, it is one of the ten most influential books in the United States.

Translated into half a hundred languages, millions of copies have been sold worldwide.

An inspiring document of an amazing man who was able to garner some good from an experience so abysmally bad... Highly recommended. Library Journal

This is a book I try to read every couple of years. It’s one of the most inspirational books ever written. What is the meaning of life? What do you have when you think you have nothing? Amazing and heartbreaking stories. This is a book that should be in everyone’s library. Jimmy Fallon

SINOPSIS

At the heart of Frankl’s theory of logotherapy is a conviction that the primary human drive is the discovery and pursuit of what the individual finds meaningful. Today, as new generations face new challenges and an ever more complex and uncertain world, Frankl's classic work continues to inspire us all to find significance in the very act of living, despite all obstacles.

Over 6 million copies sold worldwide.
