REFORMA Announces The Familia Fund for Members

Los Angeles, CA. REFORMA, the National Association to Promote Library and Information Services to Latinos and the Spanish Speaking, has established the Familia Fund to help to help Reformistas who are facing financial challenges as a result of the COVID19 pandemic continue their membership.

The REFORMA Familia Fund will cover membership renewals for REFORMA personal members who have been recently unemployed, furloughed, laid off, or are experiencing financial hardship as a result of COVID 19 during the 2020 calendar year and have been active REFORMA members. This application process will end on December 31, 2020 or earlier, depending on the funds available. Depending on the need and the funds available, this program may extend into 2021. Additionally, REFORMA will also be fundraising for the fund and encouraging members who would like to help provide support for those in need to contribute.

Interested members can apply or donate at www.reforma.org/familiafund.

We want to ensure that the REFORMA family stays strong and that we support one another in any way we can.

If you have any questions about this REFORMA initiative either from a donor or an applicant's perspective please contact: membership@reforma.org

REFORMA is a national organization of library and information professionals committed to promoting the development of library collections that include Spanish language and Latino oriented materials. The organization strongly advocates for culturally relevant and linguistically appropriate library services, programs and materials to meet the information and cultural needs of the Latino community.
